

GRILL SAFETY

BARBECUE ON BALCONIES IS PROHIBITED

Be prepared: Clothing, Fire extinguisher/117

Location: Keep grills 15 feet from buildings

Check Equipment prior to use

Lighting the grill: **Gas Grill:** Follow your manufacturer's instructions

Charcoal Grill : Never use gasoline

Lighter fluid - Never add lighter fluid to burning coals- Even if there is no flame the heat will vaporize the lighter fluid and can cause a serious flare-up the second the vapor encounters a flame.

Keep flammables, children, and pets away from grill

Remain Alert: Do not leave grill unattended

Clean up: Make sure burners are off or charcoal is completely burnt out before you throw it out (wait about 48 hours before disposing of ashes)
